

# **Patient Education zine**

How to: Zines

The background is a light pink color with several abstract shapes. In the top left, there is a white shape and a green circle. In the top right, there is a blue oval. In the bottom left, there is a large orange circle. In the bottom center, there is a small green oval. In the bottom right, there is a large blue hand-like shape with five fingers pointing upwards.

Y'all will be breaking out into groups of 4-5 people. Each group will be making a patient education zine on smoking cessation that is geared towards the audience of LGBTQ2S+ communities. You can select a specific community within this umbrella or you can include all communities.

# Each Zine Needs

- **Every member's name**
- **Correct APA citations for every source**
- **At least 1 page describing how patients can find the information you found (aka your search strategy in plain language)**

**01 Drug Information portal source**

**02 Background resources**

**01 Scholarly article**

The background is a light pink color with several abstract, organic shapes in various colors: a large blue shape in the top left, a yellow shape in the top right, a green shape in the bottom right, a white shape in the bottom left, and a red shape in the bottom center. There are also several small, solid-colored circles scattered throughout.

# Why this zine?

Be sure to keep cultural humility  
in mind and feel free to find  
resources on that if need be!
